I understand that eligibility for LAS scholarship support is dependent on being enrolled and in good standing at WSU.

I also understand that the number of applicants and the amount of available funds will determine the levels of scholarship awards. Not all qualified applicants may be awarded a scholarship due to funding limitations.

The award will be administered according to WSU regulations governing scholarship awards and total financial need of individual students.

I certify that the information contained in my application is true. By signing below, I give WSU and LAS permission to release my name for publicity purposes if I am awarded.
