Center for Latino/a and Latin American Studies Scholarship Agreement (C2C)

The academic success of a College-to-Career (C2C) participant requires the teamwork of the student, LAS faculty, academic support staff, and peer mentors. As a result, LAS asks each new C2C participant to match their commitment by agreeing to “own” their education, and to acquire and develop the skills, knowledge, and understanding that makes one an educated person, and a leader in one’s community and profession.

Expectations of C2C Participants

The C2C is designed to help you develop your leadership and career skills, create a professional profile and prepare for potential graduate school.

In recognition of the personal and academic support provided to me by LAS, I agree to developing, applying and nurturing the following positive attitudes and best practices:

- I will approach the opportunity for a quality university education with a serious, constructive attitude and with the commitment to hard work and complying with all approved program requirements.
- I will respect myself, my fellow students, instructors, peer mentors, social work interns, and program advisors both inside and outside of the classroom.
- I will register for LAS 3610 in the fall academic term and LAS 3710 in the winter academic term.
- I will meet with my professional mentor as required to learn about my chosen career.
- I will meet with my Peer Mentor at least once per month and participate in WSU Learning Community activities.
- I will meet with my advisor once each academic term to complete course registration. I will also consult with my C2C program advisor before registering for, dropping, or adding any courses.
- I will meet with my advisor during the winter term to file appropriate financial aid materials.
- I will meet with my advisor if I receive less than a C grade on any of my progress reports.
- During my senior year, I will have the option to complete a minor in Latino/a and Latin American Studies.

I, _____, affirm that I have read, understand, and agree to all of the expectations above.
