SATURDAY 4.10

LGBTQIA+ Student Equity: Junior High and High School Needs

This interactive workshop will be a conversation about how educators and allies can meet the needs of LGBTQIA+ students in high school and junior high. What does allyship look like for queer tweens and teens? What are best practices for starting and maintain GSAs and other student organizations?

This panel and discussion session is co-sponsored by the Education and Gender, Sexuality, and Women's Studies (GSW) Program at Wayne State.

***All events are virtual. Please RSVP on events.wayne.edu or Get Involved to receive Zoom links
Please reach out to individual departments with any questions***
